PART A – CONTRACTUAL TERMS

By subscribing to the Instruments, or otherwise acquiring the Instruments, a holder of Instruments expressly acknowledges and accepts that Palladium Securities 1 S.A. (the "Company" and acting with respect to Compartment 92-2012-19, the "Issuer") (i) is subject to the Luxembourg act dated 22 March 2004 on securitisation, as amended (the "Securitisation Act 2004") and (ii) has created a specific compartment ("Compartment 92-2012-19") (in this respect, see paragraph 47 (Separate Compartment) of these Final Terms)) in respect of the Instruments to which all assets, rights, claims and agreements relating to the Instruments will be allocated. The holder of Instruments acknowledges and accepts the subordination waterfall and the priority of payment provisions included in the issuance documentation relating to the Instruments. Furthermore, the holder of Instruments acknowledges and accepts that it has only recourse to the assets of Compartment 92-2012-19 and not to the assets allocated to other compartments created by the Company or to any other assets of the Company. The holder of Instruments acknowledges and accepts that once all the assets allocated to Compartment 92-2012-19 have been realised, it is not entitled to take any further steps against the Company to recover any further sums due and the right to receive any such sum shall be extinguished. The holder of Instruments accepts not to attach or otherwise seize the assets of the Issuer allocated to Compartment 92-2012-19 or to other compartments of the Company or other assets of the Company. In particular, no holder of Instruments shall be entitled to petition or take any other step for the winding-up, liquidation or bankruptcy of the Company, or any similar insolvency related proceedings.

Terms used herein shall be deemed to be as defined in the General Conditions set out in the Base Prospectus dated 21 September 2012, which constitutes a base prospectus as supplemented by the supplement to the Base Prospectus dated 13 November 2012, the supplement to the Base Prospectus dated 13 December 2012, the supplement to the Base Prospectus dated 14 February 2013 (a "**Base Prospectus**" for the purposes of Directive 2003/71/EC (the "**Prospectus Directive**") (and amendments thereto, including Directive 2010/73/EU)), in respect of asset backed securities issued by the Issuer. This document constitutes the Final Terms of the Instruments described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the relevant Base Prospectus. A summary of the individual issue of the Instruments is annexed to these Final Terms. Full information on the Issuer and the offer of the Instruments is only available on the basis of the combination of these Final Terms and the Base Prospectus (as supplemented from time to time). The Base Prospectus is available for viewing on the website of the Luxembourg Stock Exchange (www.bourse.lu) and copies may be obtained free of charge during normal business hours from the offices of the Luxembourg listing and paying agent (Deutsche Bank Luxembourg SA, 2 boulevard Konrad Adenauer, L-1115 Luxembourg).

No assurance is given that the Instruments will have a particular rating, or any rating at all, on or about the Issue Date.
		Long-term ratings by S&P are divided into several categories ranging from 'AAA', reflecting the strongest creditworthiness, over categories 'AA', 'A', 'BBB', 'BB', 'B' 'CCC', 'CC', 'C' to category 'D', reflecting that an obligation is in payment default:
		'AAA' Extremely strong capacity to meet financial commitments. Highest rating.
		'AA' Very strong capacity to meet financial commitments.
		'A' Strong capacity to meet financial commitments, but somewhat susceptible to adverse economic conditions and changes in circumstances.
		'BBB' Adequate capacity to meet financial commitments, but more subject to adverse economic conditions.
		'BBB-' Considered lowest investment grade by market participants.
		'BB+' Considered highest speculative grade by market participants
		'BB' Less vulnerable in the near-term but faces major ongoing uncertainties to adverse business, financial and economic conditions.
		'B' More vulnerable to adverse business, financial and economic conditions but currently has the capacity to meet financial commitments.
		'CCC' Currently vulnerable and dependent on favorable business, financial and economic conditions to meet financial commitments.

'CC' Currently highly vulnerable.

- ^cC' A bankruptcy petition has been filed or similar action taken, but payments of financial commitments are continued.
- 'D' Payments default on financial commitments.

The ratings from 'AA' to 'CCC' may be modified by the addition of a plus ('+') or minus ('-') sign to show relative standing within the major rating categories. S&P does not modify the rating of 'AAA' by a plus or a minus sign.

S&P is established in the European Union and registered under Regulation (EC) No 1060/2009.

		Total income: 31 January 2011 – EUR 92,022,526 31 January 2012 – EUR 87,852,726
B.24	Material adverse change	Not applicable. There has been no material adverse change in the financial position or prospects of the Company since the date of the latest audited accounts dated 31 January 2012.
B.25	Description of underlying assets	The Company acting in respect of one of its compartments (the " Issuer ") will use the proceeds from the issue of the Series of Instruments to purchase the Collateral which will form part of the Series Assets. The Series Assets for the Compartment will include the proceeds of the issue of the Series of Instruments, the Collateral, the hedging agreement (the " Hedging Agreement ") between the Issuer and the hedging counterparty (" Hedging Counterparty ") in respect of the Series of Instruments and any proceeds from any relevant Hedging Agreement. See item B.28 below.
		The Series Assets have characteristics whereby, taken together, they demonstrate a capacity to produce funds to service the Issuer's obligations to make payments due and payable under the Instruments.
		The Collateral for the Series of Instruments will consist of debt securities issued by Intesa Sanpaolo as the Collateral Obligor.
		The Collateral Obligor has securities traded on a regulated or equivalent market.
		Collateral Obligor: European bank, which issued senior unsecured debt securities on 9 November 2012 due on 9 November 2017 with ISIN: XS0852993285 which will form all of the Collateral. The level of collateralisation of such securities is 1/1.
		The Collateral will not consist of real property, therefore no valuation report relating to real property is included in the Base Prospectus, nor any description of the valuation of such real property.
B.26	Actively managed pool of assets	Not applicable. The Series Assets of the Series of Instruments will not consist, in whole or in part, of an actively managed pool of assets.
B.27	Further issuances backed by same pool of assets	The Issuer may from time to time issue further Instruments of the Series on the same terms as the existing Instruments and on terms that such further Instruments shall be consolidated and form a single series with the existing Instruments of the Series; provided that, unless otherwise approved by Extraordinary Resolution of holders of Instruments (the "Instrumentholders") of the Series, the Issuer shall provide additional assets to form part of the Series Assets for such further Instruments and existing Instruments.
B.28	Structure of the	The Instruments of the Series issued under the Programme are constituted by the Series Instrument (as amended, supplemented and/or restated from time to time, the "Series

	transaction	Instrument") dated the Issue Date between, inter alios, the Issuer, the Principal Agent, the Trustee, the Custodian, the Servicer and the Hedging Counterparty.
		The Issuer may offer Instruments in the Series to retail clients, professional clients or other eligible counterparties.
		The Issuer will use the proceeds from the issue of the Instruments to purchase the Collateral and to enter into the Hedging Agreement, which will, along with the Issuer's rights under any Hedging Agreement and any proceeds from any relevant Hedging Agreement, form part of the Series Assets. The Series Assets are exclusively allocated to the Compartment established by the board of directors of the Issuer in respect of the Instruments, will be kept separate from the other assets of the Issuer and the Company and will be secured in favour of the Trustee on behalf of the Instrumentholders.
		Collateral
		The Issuer will procure that any Collateral constituting "liquid assets and securities" for the purposes of Article 22 of the Securitisation Act 2004 is delivered to the Custodian on the Issue Date. The Custodian will then hold such Collateral on behalf of the Issuer subject to the security created in favour of the Trustee, the conditions set out in the Securitisation Act 2004 and to the terms of the Series Instrument. The Servicer shall collect payments made in respect of the Series Assets which it holds in its capacity as Custodian (either directly or via a sub-custodian). For these purposes, references to "collect" or the "collection" of payments shall be construed as meaning the receipt of payments due with respect to such assets held and shall not extend to ensuring performance of such assets whether by management of the recovery of unpaid debts or otherwise. The role of Servicer is restricted to this single duty accordingly.
		Security Instruments shall be secured by a security interest over the Series Assets in favour of the Trustee for the benefit of the Instrumentholders and the Issuer's rights against the Agents, the Servicer and the Custodian in respect of the Instruments.
		Hedging Agreement
		The Issuer will enter into a Hedging Agreement with the Hedging Counterparty, pursuant to which the Issuer will be entitled to receive certain agreed payment amounts.
		The Issuer will not be obliged to collateralise its obligation under the Hedging Agreement.
B.29	Description of cashflows and information on the Hedging Counterparty	The Issuer for each Series of Instruments may finance any payments to Instrumentholders as set out in the below diagram: Collateral held with Custodian Issuer Income received on Collateral Amounts payable on each Interest Payment Date Amounts payable on each Interest Payment Date

		This means that any income received by the Issuer from any Collateral will be exchanged with the Hedging Counterparty for an income stream that matches, in relation to rate and/or currency, the amounts to be paid under the Instruments.
B.30	Originators of securitised assets	Deutsche Bank AG, London Branch. It is an authorised person for the purposes of section 19 of the Financial Services and Markets Act 2000. In the United Kingdom, it conducts wholesale banking business and through its Private Wealth Management division it provides holistic wealth management advice and integrated financial solutions for wealthy individuals, their families and selected institutions.

	The Instruments are secured by: (a) (i) a first fixed charge and/or assignment by way of first fixed charge in favour of the Trustee of the Collateral and all of the Issuer's rights in respect of and sums derived from the Collateral and (ii) an assignment by way of first fixed charge in favour of the Trustee of all of the Issuer's rights in respect of the Collateral against the Custodian;
	The Instruments are limited recourse obligations of the Issuer, ranking pari passu without any preference among themselves.
	Status and Security
	The Instruments are governed by English law.
	Governing Law
	"Grace Period" means a period of 14 days, or if "Collateral Matched Grace Period" is specified as "Applicable" in the relevant Final Terms, the period specified in the relevant Final Terms which shall be equal to the grace period applicable to the payment of any sum due in respect of the Collateral before a default may be declared.

		"Series Party") of the Instruments shall be according to the relevant priority of each of
		the payments described below.
		The Trustee shall apply all moneys received by it in the following order:
		(a) first, in payment or satisfaction of all fees, costs, charges, expenses, liabilities and other amounts incurred by or payable to the Trustee or any receiver under or pursuant to the Series Instrument;
		(b) secondly, pro rata in payment of any amounts owing to: (i) the Hedging Counterparty under the Hedging Agreement (which shall include any amounts owing to the Custodian for reimbursement in respect of payments made to a Hedging Counterparty relating to sums receivable on or in respect of the Collateral) and (ii) the Principal Agent for reimbursement in respect of any payment made to holders of the Instruments or to a Clearing Agent on behalf of such holders;
		(c) thirdly, pro rata in payment of any amounts owing to the holders of the Instruments; and
		(d) fourthly, in payment of the balance to the Issuer,
		such ranking a "Hedging Counterparty Priority Basis".
		Negative Pledge/Restrictions
		There is no negative pledge. However, for so long as any of the Instruments remains outstanding, the Issuer will not, without the prior written consent of the Trustee, incur any indebtedness for moneys borrowed or raised other than in respect of secured securities or debt subject to equivalent enforcement and limited recourse provisions to the Instruments, engage in any activity other than certain activities related to the Instruments or such permitted securities or debt, have any subsidiaries or employees, purchase, own or otherwise acquire any real property, or consolidate or merge with any other person or issue any shares.
C.9	Interest/	See item C.8 above for information on rights attaching to the Instruments.
	Redemption	Interest
		The Instruments bear interest at a floating rate from the Issue Date at the applicable Interest Rate, such interest being payable in arrear on each specified Interest Payment Date.
		Interest Rate
		The Interest Rate for the Instruments for each Interest Period other than the Early Termination Interest Period shall be equal to the Inflation Rate in respect of such Interest Period.
		The Inflation Rate in respect of an Interest Period shall be equal to (a) the Second Index Level divided by the First Index Level minus (b) 1, subject to a minimum of 0.
		The Interest Rate for the Early Termination Interest Period will be determined by the Calculation Agent in its sole and absolute discretion at the time of cancellation by reference to, among other things, the expected Second Index Level that would have been published on or around the next Interest Determination Date.
		"First Index Level" means, in respect of an Interest Period and subject to the Index Adjustment Provisions, the level of the Index reported for the month falling 15 months prior to the month in which such Interest Period ends as determined by the Calculation Agent, without regard to any subsequently published correction.

"Second Index Level" means, in respect of an Interest Period and subject to the Index Adjustment Provisions, the level of the Index reported for the month falling 3 months prior to the month in which such Interest Period ends as determined by the Calculation Agent, without regard to any subsequently published correction.
"Index" means the EUR – Excluding Tobacco-Non-revised Consumer Price Index.
The Index Adjustment Provisions shall apply to the Instruments in the event that there is a delay in publication of the Index, the Index ceases to be published or announced, the Index is rebased, there is a material modification in the Index or a manifest error in the published level of the Index. These provisions allow, amongst other things, for the Calculation Agent to determine a substitute Index level, designate an appropriate alternative Index and make adjustments to the Index and/or the terms of the Securities. If the Calculation Agent determines that there is no appropriate alternative index the inflation rate for the relevant period will be deemed to be zero.
The Interest Rate from the Issue Date to the Maturity Date will also be subject to a Minimum Interest Rate of 0 per cent. Leverage Factor
The Interest Rate from the Issue Date to the Maturity Date will also be subject to a Leverage Factor of 111 per cent.
Day Count Fraction
The applicable Day Count Fraction for the calculation of the amount of interest due within an Interest Period will be 30/360 for the Series of Instruments.
Interest Periods
The Interest Periods are the periods commencing on (and including) the Issue Date to (but excluding) the first Interest Accrual Date and each period commencing on (and including) an Interest Accrual Date to (but excluding) the next following Interest Accrual Date.
Issue Date and Interest Payment Dates
The Issue Date and the Interest Payment Dates for the Instruments will be 15 February 2013 and 9 November 2013 and thereafter 9 November in each year up to and including the Maturity Date, respectively.
Interest Determination Date
The Interest Determination Date with respect to an Interest Period will be the last day of each Interest Period.
Interest Accrual Dates
The Interest Accrual Dates for the Instruments will be 9 November 2013 and thereafter 9 November in each year up to and including the Maturity Date or, if any such day is not a Payment Day, the next following Payment Day.
Redemption
Maturity
Unless previously redeemed or purchased and cancelled, each Instrument will be redeemed by the Issuer by payment of the Final Redemption Amount on the Maturity

Date which is the Interest Payment Date falling in November 2017.
Early Termination of the Instruments
The Instruments may be cancelled early in a number of circumstances:
(A) <u>Collateral Default Event</u> : If a default, event of default or other similar event or circumstance occurs with respect to the Collateral (howsoever described and including, without limitation, a failure to pay any principal or interest when and where due in accordance with the terms of the Collateral as at the Issue Date and further provided that if any of the Collateral comprises asset-backed securities then any deferral of interest or other payment thereunder in accordance with its terms shall not constitute a "default") (a " Collateral Default Event "), the Instruments shall be cancelled in whole or in part and the Issuer shall pay the Early Termination Amount which will include an amount equal to any accrued but unpaid interest.
(B) <u>Collateral early redemption</u> : If any of the Collateral becomes repayable (otherwise than at the option of the relevant Collateral Obligor in accordance with the terms of the Collateral) or becomes capable of being declared due and payable prior to its stated date of maturity for whatever reason, the Instruments shall be cancelled in whole or in part and the Issuer shall pay the Early Termination Amount which will include an amount equal to any accrued but unpaid interest.
(C) <u>Cancellation for tax reasons</u> : If the Issuer would be required by law to withhold or account for tax or would suffer tax in respect of its income so that it would be unable to make payment of the full amount due, and the Issuer has been unable to arrange substitution or change of itself as Issuer, or is unable to do so in a tax efficient manner, before the next payment is due in respect of the Instruments, the Instruments shall be cancelled in whole and the Issuer shall pay the Early Termination Amount which will include an amount equal to any accrued but unpaid interest.
(D) <u>Early Termination of the Hedging Agreement</u> : If the Hedging Agreement is terminated in accordance with its terms prior to the Hedging Agreement Termination Date, the Instruments shall be cancelled in whole and the Issuer shall pay the Early Termination Amount which will include an amount equal to any accrued but unpaid interest.
In any such case of early cancellation described in (A), (B), (C) or (D) above the Issuer shall give not more than 30 nor less than 15 days' notice of the date fixed for cancellation and on expiry of such notice (i) the Issuer shall cancel the outstanding Instruments of the Series in whole or in part, as applicable, (ii) the relevant portion of the Series Assets will be realised in accordance with the Securitisation Act 2004, if applicable, and (iii) the security constituted by or created pursuant to the Series Instrument shall become enforceable in whole or in part.
(E) <u>Event of Default</u> : If an Event of Default occurs (as described in C.8 above) then the Instruments shall be cancelled and the Issuer shall pay the Early Termination Amount in respect of each Instrument.

Payments in respect of Global Instruments	Payments in respect of Global Instruments

		All payments in respect of Instruments represented by a Global Instrument will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Instruments, surrender of that Global Instrument to or to the order of the Principal Agent or such other Paying Agent as shall have been notified to the Instrumentholders for such purpose. A record of each payment so made will be endorsed on each Global Instrument, which endorsement will be prima facie evidence that such payment has been made in respect of the Instruments. Payments in respect of Instruments in definitive form Payments of principal and interest in respect of the Instruments in definitive form shall, be made against presentation and surrender of the relevant Instruments at the Specified
		Office of any Paying Agent outside the United States by transfer to an account denominated in such currency with a bank nominated by such holder presenting such Instrument.
		Meetings
		The Instruments contains provisions for convening meetings of Instrumentholders to consider matters affecting their interests generally with respect to the Instruments. These provisions permit defined majorities to bind all holders, including holders who did not attend and vote at the relevant meeting and holders who voted in a manner contrary to the majority.
C.10	Derivative component of securities	Applicable. The interest payment in respect of the Instruments is linked to the performance of an index. See item C.9 above for information on interest and redemption.
C.11	Trading of securities	Application is expected to be made for the Instruments of the Series to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange and the multilateral trading facility EuroTLX (managed by EuroTLX SIM S.p.A.) with effect from the Issue Date or thereabouts.
C.12	Minimum denomination	The minimum denomination of an issue of Instruments is EUR 1,000.
